REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2011-2012 school year was a year of excitement and success for the faculty, staff and students of St. Andrews Middle School. We are all proud of the many achievements experienced this year at St. Andrews Middle.

St. Andrews is proud of being awarded the 2011 Palmetto Silver Award and of improving to "Good" on our "Growth Rating". Both are first-time achievements for our school. We also had 3 Junior Scholars for this academic year.

SAMS celebrated and participated in many events, activities, competitions, and opportunities throughout the year. The South Carolina state Odyssey of the Mind competition was held at SAMS this year. Four of our teams won the state competition. In May, these teams competed in the International World competition held at Iowa State University. One of our teams finished 26th in the world.

Athletically, we won the Girls Volleyball League Championship. Our football team played in the football playoffs. Our Girls were I-AAAA Basketball Champs and the Senior Boys were Conference Basketball runners up. Our Senior Girls were Division 3 Basketball runners up. Our baseball and softball team won their League Championships and the baseball team was the Joe Barfield Memorial Classic Champions.

St. Andrews offers our students the opportunity to take English I, Algebra I and virtual Spanish for high school credit. Every student in English I and Algebra I passed the high school end-of-course test. Two students had perfect scores in English I and 26 of the 39 students earned perfect scores in Algebra I.

Our school is dedicated to helping each of our students in and out of the classroom. Our faculty, staff, parents and community will continue to work collaboratively with our students so that they are able to accomplish their goals each and every day.

Hohlfeldt, Chairman SIC
